RE: Docket No. 2008-447-EG, *Petition to Establish Docket to Consider Implementing the Requirements of Section 1307 (State Consideration of Smart Grid) and Section 532 (Energy Efficiency Programs) of the Energy Independence and Security Act of 2007.*

Dear Sir or Madam:

The Notice Of Filing issued in the referenced cause requires notification from any person wishing to testify and present evidence at the hearing on the merits.

Wal-Mart Stores East, LP, and Sam's East, Inc., (collectively "Wal-Mart") previously intervened in this cause on February 27, 2009. Wal-Mart has not yet determined the positions it will take in this proceeding, or whether it will present witnesses and evidence at the hearing on the merits. Wal-Mart's determination will depend upon the issues that arise as this docket unfolds.

Accordingly, at this point in time Wal-Mart simply reserves its right to present witnesses and evidence at the hearing on the merits.

Sincerely,

RICK D. CHAMBERLAIN
